### WAPS TESTING

WAPS testing is offered at the Spratt Education Center in room 130. The typical testing cycles are 15 February – 15 April for E6 and 1 May – 30 June for E5. Here are some helpful tidbits to help your testing experience go as smoothly as possible:

**Step 1.** Sign 1566 with CSS – make sure you know your testing requirements

**Step 2.** Create/Login to PearsonVue account - <https://www.pearsonvue.com/us/en/waps.html>

- Find the AF Handbook and WAPS catalog here: <https://www.studyguides.af.mil/>
- Testing sessions begin at 0800 and 1330 (based on the clock in the Testing Room). Doors close at those exact times. If you are late do not attempt to gain entry into the testing room. Your CSS will be notified with a no-show letter.
- If you are sick on the day of your test you must report to sick call/hospital the same day and provide your CSS with a doctor's note to be rescheduled.
- If you cannot login or have not created your PearsonVue account, you will be directed to leave the testing room and will be marked as a no show. Your CSS will be notified with a no-show letter.
- If possible, test prior to any deployment, medical procedure, or leave that will push you Out-Of-Cycle (Out-Of-Cycle Testing requires commander's approval and is not guaranteed).

For any questions, please contact your Unit WAPS Monitors in your Command Support Staff.
