by providing quality and affordable
child care in a home setting

Family Child Care (FCC) program offers in-home care for children ages 2 weeks to 12 years, in either on-installation housing or in civilian communities. FCC offers families child care when alternative weekend, evening care, swing and midnight shifts, and special needs care is required.

The groups are multi-aged and smaller ratios than in the centers. We provide family members a chance to become an approved FCC provider.

SHAW EDUCATION CENTER

Did You Know?

AFCLC TUTOR sessions are live one-on-one online language training sessions offered through a partnership between HAF/A1D and the Air Force Culture and Language Center (AFCLC). Designed to multiply force readiness through language development across the General Purpose Force, TUTOR provides flexible, high-impact instruction tailored to each learner's goals.

The training process begins when a service member completes the TUTOR intake form to identify specific language goals. Once approved, the student collaborates with an assigned instructor to develop an Individualized Learning Training Plan that guides all instruction. Training takes place on a platform where students select their instructor and schedule sessions in one-hour blocks that align with student availability and operational responsibilities. Initially, students are allotted ten training hours; however, each may receive up to 40 total hours if resources permit and if students are actively using their approved hours. While enrolled, students are expected to participate fully and communicate clearly to ensure instruction aligns with their evolving goals.

In addition to live sessions, students enrolled in TUTOR receive access to CL-150, a digital language learning platform that provides self-paced vocabulary, grammar, and listening comprehension tools in multiple languages to support and reinforce classroom instruction.

Available languages:

Arabic Egyptian Arabic Modern Standard Arabic Levantine, Arabic Syrian Arabic Lebanese Arabic Algerian Arabic Libyan Arabic Tunisian Arabic Yemeni Arabic Moroccan Bulgarian, Chinese Mandarin, Chinese Cantonese, French, Georgian, German, Hindi, Hungarian, Indonesian, Italian, Japanese, Korean, Persian, Afghan Persian, Iranian (Farsi), Polish, Portuguese-Brazilian, Pashto, Romanian, Russian, Somali, Spanish, Swahili, Tagalog, Thai, Turkish, Ukrainian, Urdu, Uyghur, Vietnamese

To request TUTOR training, complete the TUTOR intake form: : [Ready to take the next step in your education or career?](#)
